My name is Gerard Lynch and I practice social security law in the state of Texas. I have been licensed for almost 27 years and have practiced disability law for 24 of those years. I advertise upon the following DotCO Social Security websites in the Houston Area:

<http://www.BaytownSocialSecurityLawyer.co>;

<http://www.BeaumontSocialSecurityLawyer.co>;

<http://www.ClearlakeSocialSecurityLawyer.co>

<http://www.DeerparkSocialSecurityLawyer.co>;

<http://www.GalvestonSocialSecurityLawyer.co>;

<http://www.HoustonSocialSecurityLawyer.co>;

<http://www.KatySocialSecurityLawyer.co>;

<http://www.PasadenaTXSocialSecurityLawyer.co>; and

<http://www.TomballSocialSecurityLawyer.co>.

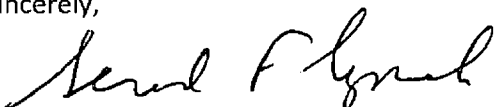

DotCO is not my firm's only online presence I have, but it was never sold to me to be the sole presence. It is just another component. I have advertised in various media throughout the years including TV, Yellow Pages and newspapers and other print media. I am spending almost all my money on the internet as I believe it currently offers by far the best return.

As a company, DotCO is very responsive when I want something done or changed on the sites, and in all my dealings with them they have been very honest which is more than I can say for some of the other online advertisers.

I have been on the above sites for about 3 months as they are only 4 months old and it is already producing which I consider very good for new websites and to me this suggests even better production in the future.

In my opinion, you should definitely give DotCo a try like I did.

Sincerely,

Gerard Lynch
